Re: Request for *quo warranto* proceeding against Richard M. Daley

Your Honor,

As you are aware, the Mayor of City of Chicago, Richard M. Daley, committed the taxpayers of this great city as guarantors for the cost of the possible Chicago 2016 Olympic summer games. Such an act, on the part of Richard M. Daley was unilateral, without express authority, and without approval from the city council.

Therefore, pursuant to 735 ILCS 5/18-102, I am hereby making a request that you institute *quo warranto* proceeding against Richard M. Daley on behalf of People of the State of Illinois.

Within 30 days of this letter, if I do not hear from you otherwise from your office, I will petition the Circuit Court of Cook County for leave to file the *quo warranto* proceeding as an individual on behalf of People of the State of Illinois.

Should you have any questions or comments, please feel free to contact me.

Very truly yours,

Anthony J. Peraica  
Attorney at Law
